## Shattered Oak goings on:

### **Bid for Coronation;**

We are still looking into bidding on the Sept. 2017 Coronation. We are still in need of a place for this. We have looked into quite a few places, but have not found the ideal place yet. If anyone has any suggestions, please let Lady Sirona or Lady Christiana know. We will need to get this in by the end of January, but would like a place soon.

### **Promoting:**

We also discussed ideas for promoting the Shire and maybe encouraging a few new members. As much fun as the table at the music at Phoenix Park on Thursday night was, we did not get much interest and probably is not worth doing again this summer. The brat stand is still a good idea for bringing some funds into the shire. It was mentioned it may be a nice idea to have some one in garb just to speak with people and maybe a laptop with SCA info (pics and videos) to show off. The shire scrapbook could also use some more info and pics added. Need some ideas on where to go for demos. Let Lady Christiana know if you have an idea.

The demo at Castlerock Museum is June 10, 2017 for 10am-5pm. As we get closer we will get times and what demo stuff your bringing sorted out.

We talked about getting a laptop for demos. This would be a great way to display slide shows for the public.

### **Offices opening up:**

The Seneschal and Chronicler office have run their 2 year term. If anyone is interested in either of these positions, applications have to be in by the next meeting on Jan. 22. Nominations will be on the Feb. 12 meeting and voting will be on the Feb. 26 meeting.

Reminder our meetings are held the 2nd & 4th Sundays of the month at 4pm. We meet at Banbury Place Building 17 (same location as fight practice). Bring a chair seating is limited.

Reminder to check our Facebook and email for any updates.
